Country()dropdown	Phone
Email	interested art form (dropdown)
Message - check box - submit	

   Page scroll - header section should be appear

17. Lest side - add a button (book a free trial)
18. Footer - social media original icon & Text change quick link to about us

Need more info

Point No 2. Showcase banner (tiles) image left side & text right side

Provide reference content for this section

Point No 10. - please provide content based on this we will change this section

Point No 17. - Lest side - add a button (book a free trial) - we ensured the trial button is visible everywhere. with a sticky header, there will be at least one button all the time, making more of those will be too much. We advise against it

Point No 18. - Single-color logos are kept so that they can blend with website color, using colorful logos will look odd. We advise against it

Point No 11. - please provide content

Point No 16. - please provide details for interested art form
